Media Information 2018

Can you
reach

*the temperature-controlled
logistics industry?*

We can...

In print with Cold Chain News

ADVERTISING THAT DELIVERS

- A4 format and high quality paper stock ensures adverts are presented perfectly and get seen
- Strictly targeted circulation ensures no wastage, advertisers can be confident that every single reader counts
- Your advertisement message is delivered where cool chain decisions are made, at a price that won't break the budget

DISPLAY ADVERTISING

- Available at page, half page, quarter page and strap sizes

EDITORIAL STYLE ADVERTISING

- From supplied copy and images we will create to the same style as Cold Chain News an advertisement that ideally suits more complex messages

PRODUCT EDITORIAL

- From supplied editorial and a picture take a slot in the 'Nuts and Bolts' products and services page

SUPPLIER DIRECTORY

- Place your company logo and web address on the Supplier Directory pages

INSERTIONS

- Up to A4 size and inserted into the magazine or loose in the polybag

DIRECT MAIL

- Use our mailing list of 1,630 named readers for targeted direct printed communication

SUPPLEMENTS

- The editorial team will write and create supplements in Cold Chain News style to promote new launches, company achievements or award recognition

READERSHIP BY SECTOR

- Temperature – controlled transport and logistics
- Food manufacturing and retailing
- Transport service providers
- Vehicle and body equipment suppliers
- Other

Cold Chain News reaches the chief executives, distribution directors, and fleet engineers of all Britain's leading supermarkets: Aldi, Asda, Booker, Booths, Co-operative Group, Dairy Crest, H J Heinz, Iceland, Marks and Spencer, Musgrave, Sainsbury's, Morrisons, Tesco, and Waitrose...

Cold Chain News is also read by senior staff of all Britain's top temperature-controlled logistics service providers: ACS&T, Culina, Fowler Welch, Gist, Grocontinental, Langdon Industries, NFT Distribution, Peter Green Chilled, Reed Boardall, Turners, Yearsley Group...

They, like all top decision makers in the temperature-controlled industry, including food manufacturers, food producers and pharmaceutical suppliers, receive Cold Chain News: 1,630 readers (September 2017) verified by telephone every year – that's as fresh a circulation as you get. Cold Chain News is your communication vehicle for Britain's temperature-controlled transport market.

- Cold Chain News and its website, www.globalcoldchainnews.com provide your best route to Britain's temperature-controlled transport operators
- Cold Chain News is dedicated to the UK's temperature-controlled road transport and logistics industry and recognised as the most authoritative voice on this vital industry sector providing news, comment and features tailored to reader needs
- Cold Chain News is distributed by post, every issue landing on the desks of 1,630 named individuals currently working in the UK
- Cold Chain News readers work for retailers, food producers, temperature controlled transport and logistics companies operating fleets of vehicles of all size and type
- Cold Chain News readers are at owner, director or senior manager level, key decision-makers and buyers in every sense

CIRCULATION - TERMS OF CONTROL

Cold Chain News is available free of charge to owners, directors and senior managers working for companies operating 5 or more commercial vehicles used for the transport of goods requiring to be kept at a controlled temperature. The circulation list is verified by telephone every 12 months. Cold Chain News is also available to those not meeting the terms of control through paid subscription.

Cold Chain News is web connected

Cold Chain News is supported by its information-rich website, www.globalcoldchainnews.com, serving the temperature-controlled transport and distribution sector world-wide. Detailed, accessible, concise and intelligent, it's an essential business briefing for senior staff in temperature-controlled logistics companies. The site received annually 28,154 sessions, 17,474 users and 49,521 page views. (Google Analytics August 2017).

GLOBAL COLD CHAIN NEWSLETTER
READERSHIP 3,876 (JULY 2015)

The site, updated daily, brings readers the latest news and analysis of trends and developments in temperature-controlled logistics, transport, storage, and distribution of food, pharmaceuticals and other temperature-controlled products from Britain, Europe and internationally. Subscribers, 3,732 (August 2017) to www.globalcoldchainnews receive a free, weekly e-mail newsletter.

The website also provides in-depth special reports, including sponsored reports, analysing specific sectors and regions – and all instantly accessible as downloads.

Terms and Conditions

SUBSCRIPTIONS

- You will be added to the mailing list once payment has been cleared.
- The price is zero rated for Value Added Tax.

ADVERTISING

- Payment must be made within 28 (twenty eight) days from the date of Commercial Transport Publishing's invoice.
- All advertising is subject to 20% VAT.
- If payment has not been received within the 28 day period, Commercial Transport Publishing Limited will contact you by email, telephone or post advising you that you have 7 days for full remittance.
- If Commercial Transport Publishing Limited does not receive payment within this specified 7 day period the debt will be forwarded to our Solicitors and additional charges will be added.

CANCELLATION TERMS

- Advertisements and any other paid for material must be cancelled in writing at least 6-weeks prior to publication.
- Subscriptions run for a full year from the start of the subscription period and no credit or refund is made for cancellation part way through the subscription period.

ADVERTISING TERMS

- All advertisements or other paid for material are subject to the publisher's approval and accepted on condition the advertiser warrants they do not in any way contravene current legislation. The advertiser shall further indemnify Commercial Transport Publishing Limited in respect of any claims, costs and expenses that may arise from anything contained within the advertiser's advertisements or other paid for material and published on the advertiser's behalf.
- No guarantee is given that advertisements or other paid for material will be placed in any specified position on any specified page, without written agreement
- The placing of an order or contract for insertion into the magazine, whether in writing, email, verbal or telephone instruction, will be deemed an acceptance of each and all of the above conditions.
